LINN COMMISSIONERS

Memo

Date: July 6, 2020

To: Linn County Enterprise Zone Co-Sponsors
Roger Nyquist — Linn County
Kevin Kreitman — City of Millersburg

From: John Pascone, President

Subject: ATI Enterprise Zone Application and Action Resolution Waiving Employment Requirement And Extended Abatement Agreement

ATI Specialty Products is planning on making an investment in Millersburg of $39.4 million which includes building improvements and installing new equipment. The investment is to improve output and efficiency. They have completed an Enterprise Zone Authorization Application dated June 8, 2020.

Enterprise Zone regulations allow waiving the normal 10% employment increase for large investments of $25 million or more. Recognizing that large investments meant to increase output and efficiency do not always increase employment but is still desirable.

Also, the regular property tax exemption is for 3 years. But for companies that agree to hire and pay wages and benefits in excess of 150% of Linn County's Average Annual Wage, the firm can qualify for an additional 2 years. The current required wage number can be found in the agreement.

Attached are 2 draft resolutions which need to be passed by each co-sponsor. The zone manager (me) and the county assessor's representative (Mark Wilkinson) cannot officially approve the company's application until the resolutions are approved by the co-sponsors.

Please contact me if you have any questions. When you have the matter scheduled let me know and I will attend to present it on behalf of the company.

Thank you,

John
