MEMORANDUM

To: Linn County Board of Commissioners

From: Captain Ted Langley / Sheriff Jim Yon

Date: December 30, 2021

Re: Resolution and Order 2021-398 between GTL/TELMATE and Linn County

Resolution & Order 2021-398 represents the 4th amendment to the negotiated contract between TELMATE/GTL for adult in custody phone services.

The amendment before you addresses newly mandated phone rate restrictions by the FCC which went into effect October 26, 2021. These rate changes have no fiscal affect on the jail nor the county as we do not receive any compensation from TELMATE/GTL from adult in custody phone usage.

Additionally, this amendment introduces tablets into the jail housing areas for use by the adults in custody. Again, this represents no fiscal impact to the county or jail as the provided hardware is free and the user of the tablet software incurs the cost.
