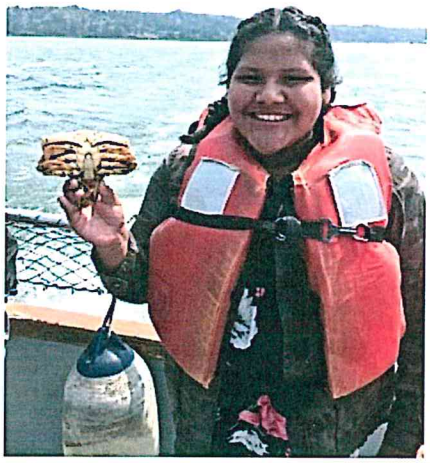
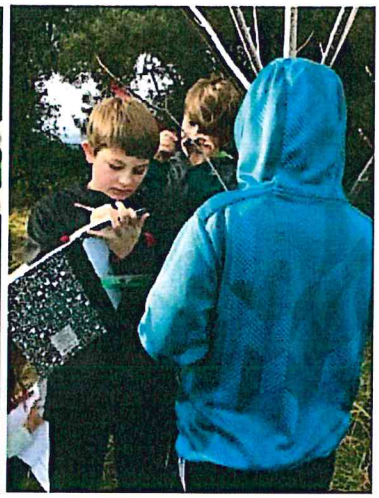
4-H Outreach

- 2018- Oregon Season Tracker 4-H Climate Science trained three teachers from Linn county (West Albany, TOSA science teacher for the district, Seven Oaks Middle school). This science and technology program teaches students how to accurately collect precipitation and phenology data and record it on two national databases. This "real world" data is used by climate science researchers to help monitor regional variations of Oregon climate.
- Seven Oaks Middle School teacher is starting a 4-H Wildlife Stewards Program in her classroom. This program engages youth in natural science learning outside the classroom.
- Over 100 under represented youth and families from Albany attend Get Outdoors Day, a one-day natural resource event at the McDonald Forest/Peavy Arboretum held each spring. We work closely with staff at the Welcome Center in Albany to bus these youth to the event.
- Linn County 4-H program collected and presented the 127 residents of the Lebanon Veteran's Home with Christmas Stockings and gifts in 2017.





Linn County 4-H Faculty

Andrea Leao, 4-H Youth Development Faculty, Program Educator

Maggie Livesay, 4-H Faculty for Environmental Education

Linn County Road Department

Providing safe and efficient transportation to citizens and visitors of Linn County.

Memorandum

Date: 10/11/2018

To: Linn County Board of Commissioners

From: Darrin Lane, Roadmaster

RE: Background Information for Agenda Items – 10/16/2018

The Road Department has the following items on the Board of Commissioners agenda for the weekly meeting on October 16, 2018. The following is a brief description of the items.

Bid Award Recommendation – Chip Spreader
Bids were opened on October 9, 2018 for a new Chip Spreader for the Road Department. One bid was received and a bid award recommendation is attached.

Resolution & Order 2018-340 – Accepting a Permanent Easement for Road Purposes
This Resolution & Order is to accept a permanent easement for road purposes for an additional ten feet of right-of-way, adjacent to Morning Star Road, along the frontage of property owned by Jason and Cara Hibbs. The dedication is in conjunction with their development proposal and will help to bring the current 40-foot right-of-way to a total of 60 feet in the future.

We request your approval.

RE: Four-wheel Hydrostatic Drive Chip Spreader – Bid Award Recommendation

---

A bid for the Four-wheel Hydrostatic Drive Chip Spreader was opened on October 9, 2018.

One bid was received from PacWest Machinery in the amount of $318,500. The amount budgeted by the department was $320,000. PacWest Machinery is a reputable vendor and the equipment proposed in the bid meets all of the minimum specification requirements.

We have conducted research on the appropriateness of the bid price due to the fact that we only received one bid. We did not anticipate that we would receive more than one bid due to the nature of the market for this specialized machinery, however, we were able to determine that the price bid by PacWest Machinery is consistent with other similar bids to public agencies in Oregon and Washington.

We have carefully reviewed the bid and recommend that the bid from PacWest Machinery be accepted, and that a purchase order be awarded.

RE: Further Discussion and Consideration of a Foreclosed Property Sealed Bid – Property Account #344057

R&O 2018-323 - Conveyance of Tax Foreclosed Property to the City of Lebanon

Russ Williams, Property Manager, will appear with two items.

1. Further discussion and consideration of a sealed bid opened on October 9, 2018 for the following property:

    - #344057 – 4450 S Santiam Hwy., Lebanon
        - Bid Amount: $88,000
        - RMV - $213,050
        - Minimum bid – $97,200
        - Deeded to the County on September 26, 2017
        - Auctioned on August 23, 2018
    - The Board decided to postpone the vote to give Commissioner Nyquist time to visit the property before a decision was made.

2. R&O 2018-323 approves the conveyance of the following tax foreclosed property to the City of Lebanon.

    - #916686 – .33 acre detention pond, located between SW 5th St. and W Jadon Dr. in Lebanon
        - Deeded to the County on September 23, 2016
        - R&O 2018-191 removed the property from the August 23, 2018 auction list per the City of Lebanon's request that the property to be transferred to the city.

TO: Linn County Board of Commissioners

FROM: Alyssa Boles, Planning & Building Department

RE: October 16, 2018 Agenda Summary

The following items are scheduled before the Board of Commissioners (Board) on October 16, 2018:

Resolution and Order No. 2018-268 and Ordinance No. 2018-269 – A Resolution and Order and Ordinance to adopt Comprehensive Plan map and Zoning map amendments to amend the Mill City urban growth boundary (UGB).

The total area of land to be added to the Mill City UGB is 18.16 acres. The total area to be removed from the UGB is 18.18 acres. The amendments would change the *Plan* designation and Zoning map designation on seven properties. The properties are identified as T09S, R03E, Section 29, Tax Lots 100, 103, and 200; T09S, R03E, Section 31, Tax Lot 1204; T09S, R03E, Section 32, Tax Lots 100, 1804, and 2402.

The Board held a public hearing on September 25, 2018 and voted 3-0 to approve the proposed Plan map and Zoning map amendments.

October 16, 2018 Agenda Items

To: Board of Commissioners

From: Mark Volmert, Special/Rural Transportation Coordinator

Subject: Special Transportation Fund Amended Agreements

Recommendations:

Approve:

Resolution and Order No. 2018-336 amending Resolution and Order No. 2018-240 (Oregon Cascades West Council of Governments Senior and Disability Services)

Resolution and Order No. 2018-337 amending Resolution and Order No. 2018-324 (Oregon Cascades West Council of Governments)

Background:

The Board of Commissioners, on September 25, approved agreements with local transportation programs regarding 2018-2019 Special Transportation Fund allocations.

After the Board of Commissioners executed the agreements and forwarded them to local programs for execution the County Attorney discovered a small word processing error in the agreement with Oregon Cascades West Council of Governments Senior and Disability Services (bus passes and gas vouchers for Linn County residents with low income) and the agreement with Oregon Cascades West Council of Governments (planning consultant services for the Linn-Benton Loop).

The County Attorney has prepared amended agreements to correct the small error.

Subject: RO 2018-334 LSCI Contract

R & O 2018-334 - LIFE SPACE CRISIS INTERVENTION

Personal Service contract between Linn County
and Kela Lynn for training services
Not to Exceed $4000.00

Resolution and Order 2018-334 allows Linn County to contract with Kela Lynn to provide the Life Space Crisis Intervention (LSCI) training. Kela and Troy Fuller, former Linn County employee, are the only two certified LSCI trainers in the state of Oregon. Initially LSCI was selected as a mechanism to train adults across systems in Linn County to use the same language and techniques when dealing with youth's behavior in many settings giving the youth consistency. It was initially funded under the Safe Schools Healthy Students Grant, as that grant ended it came under the Juvenile Department to continue to be able to offer this training free to Linn County organizations. Kela and Troy have trained over 500 individuals since this training began. Funding for this training currently comes from Title 1D funding which comes about because the Linn Benton Detention Center is located in Albany. No General Fund dollars are being spent for this contract. The Title 1D funds comes to the Greater Albany Public Schools (GAPS) which in turn passes it back through to the Juvenile department to provide transitional services for youth coming into and out of detention and their public school setting. This year it is also funding a part-time position to help coordinate our native nursery and garden projects, educational tutoring at Jackson St. Youth Shelter in Albany along with assistance with transportation for those youth going to public schools and the addition of a summer educational program. GAPS has been a fantastic community partner in supporting all these different facets to make a difference for youth in our community with these Title 1D funds.

Because of the real conflict of interest for the Juvenile Department Director, Torri Lynn, who is married to Kela Lynn, the contract is presented by county administrator Ralph Wyatt and billing for contracted services funnels through Linn County Health Services for payment.
