Question 20 words which plainly phrases the chief purpose of the measure.

Shall Brownsville prohibit medical marijuana dispensaries, medical marijuana processing sites, marijuana producers, marijuana processors, marijuana wholesalers and marijuana retailers?

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

If adopted by the voters, this measure would prohibit the establishment and operation of medical marijuana dispensaries, medical marijuana processing sites, marijuana producers, marijuana processors, marijuana wholesalers and marijuana retailers within the City of Brownsville. This measure would not prohibit medical marijuana grows or personal recreational grows otherwise allowed by state law. This measure also would not prohibit possession of marijuana within the City if otherwise allowed by state law. If this measure is approved by the voters, the City of Brownsville would not be eligible to receive distributions of state marijuana tax revenues, or to adopt a city tax on recreational retail marijuana sales. If this measure is approved by the voters, the City will not have the authority to collect a local city tax on sales of recreational marijuana – even if the local tax is approved by the voters.
