Shall Halsey impose a tax on sales of marijuana items by recreational marijuana retailers in the city?

**Summary** 175 words which concisely and impartially summarizes the measure and its major effect.

If adopted by the voters, this measure would impose a city tax on sales of marijuana items (including marijuana, marijuana products and marijuana extracts) by recreational marijuana retailers licensed by the Oregon Liquor Control Commission and located within the City of Halsey. The City Council would have the authority to set the amount of the tax, but under no circumstances would the tax exceed three percent of the retail sales price of a marijuana item. The tax would be collected from consumers and remitted to the City by recreational marijuana retailers. The city tax would be imposed in addition to any state taxes on the sale of marijuana items. The city tax would not be imposed on medical marijuana sales. This measure will not take effect if the measure on the ballot that proposes to ban medical marijuana dispensaries, medical marijuana processing facilities, recreational marijuana producers, recreational marijuana processors, recreational marijuana wholesalers and recreational marijuana retailers from the City of Halsey is approved.
