Question 20 words which plainly phrases the chief purpose of the measure.
Shall Lyons prohibit medical marijuana processors, medical marijuana dispensaries, recreational marijuana producers, processors, wholesalers, and retailers within City of Lyons?

Summary 175 words which concisely and impartially summarizes the measure and its major effect.
State law allows operation of registered medical marijuana processors, medical marijuana dispensaries and licensed recreational marijuana producers, processors, wholesalers, and retailers. State law provides that a city council may adopt an ordinance to be referred to the voters to prohibit the establishment of any of those registered or licensed activities.
Approval of this measure would prohibit the establishment and operation of medical marijuana processors, medical marijuana dispensaries, recreational marijuana producers, processors, wholesalers, and retailers within the area subject to the jurisdiction of the city provided that state law allows for continued operation of medical marijuana processors and medical marijuana dispensaries already registered - or in some cases, that have applied to be registered - and that have successfully completed a local land use application process.
If this measure is approved, the city will be ineligible to receive distributions of state marijuana tax revenues and will be unable to impose a local tax or fee on the production, processing or sale of marijuana or any product into which marijuana has been incorporated.
