Question 20 words which plainly phrases the chief purpose of the measure.

Shall the City of Albany prohibit recreational marijuana producers, processors, wholesalers, and retailers within the City limits?

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

State law allows operation of registered medical marijuana processors, medical marijuana dispensaries and licensed recreational marijuana producers, processors, wholesalers, and retailers. State law provides that a City Council may adopt an ordinance to be referred to the voters to prohibit the establishment of any of those registered or licensed activities.

Approval of this measure would prohibit the establishment of recreational marijuana producers, processors, wholesalers, and retailers within the area subject to the jurisdiction of the City. If approved, this measure will have no impact on medical marijuana processors or medical marijuana dispensaries located in Albany.

If this measure is approved, the City will be ineligible to receive distributions of state marijuana tax revenues and will be unable to impose a local tax or fee on the production, processing or sale of marijuana or any product into which marijuana has been incorporated.

Explanatory Statement 500 words that impartially explains the measure and its effect.

- any measure referred by the city governing body; or
