Question 20 words which plainly phrases the chief purpose of the measure.

Shall City of Sweet Home prohibit registered marijuana processing sites and licensed marijuana producers, processors, wholesalers and retailers?

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

State law allows operation of registered marijuana processing sites and licensed marijuana producers, processors, wholesalers and retailers. State law provides that a city council may adopt an ordinance to be referred to the voters to prohibit the establishment of any of those registered or licensed activities.

Approval of this measure would prohibit the establishment of registered marijuana processing sites and licensed marijuana producers, processors, wholesalers and retailers within the area subject to the jurisdiction of the city provided that state law allows for continued operation of marijuana processing sites already registered or in some cases that have applied to be registered and have successfully completed the city land use application process.

If this measure is approved the city will be ineligible to receive distributions of state marijuana tax revenues and will be unable to impose a city tax or fee on the production, processing or sale of marijuana or any product into which marijuana has been incorporated.
