Question 20 words which plainly phrases the chief purpose of the measure.

Shall City of Sweet Home impose three percent tax on the sale of marijuana items by marijuana retailer?

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

Under state law, a city council may adopt an ordinance to be referred to the voters of the city imposing up to a three percent tax or fee on the sale of marijuana items in the city by a licensed marijuana retailer.

Approval of this measure would impose a three percent tax on the sale of marijuana items in the city by a licensed marijuana retailer. The tax would be collected at the point of sale and remitted by the marijuana retailer to the city.

Under state law, a city that adopts an ordinance that prohibits the establishment in the area subject to the jurisdiction of the city medical marijuana dispensaries, marijuana processing sites, marijuana producers, processors, wholesalers, or retailers may not impose a tax or fee on the production, processing or sale of marijuana or any product into which marijuana has been incorporated. This measure would become operative only if the other two Sweet Home City measures proposing to prohibit the establishment of those marijuana entities do not pass.
