**Summary** 175 words which concisely and impartially summarizes the measure and its major effect.

Under state law, a City Council may adopt an ordinance to be referred to the voters of the City imposing up to a three percent tax on the sale of marijuana items in the City by a licensed marijuana retailer.

Approval of this measure would impose a tax, set by resolution of City Council and not to exceed three (3) percent, on the sale of marijuana items in the City by a marijuana retailer. The tax would be collected at the point of sale and remitted by the marijuana retailer.

Under state law, a City that adopts an ordinance prohibiting the establishment of a medical marijuana processor, medical marijuana dispensary, or recreational marijuana producer, processor, wholesaler or retailer may not impose a tax on the production, processing or sale of marijuana or any product into which marijuana has been incorporated. This measure would allow a tax rate above zero (0) percent only if the measure proposing to prohibit the establishment of any of those marijuana entities does not pass by a majority of votes.
