Deputy

Shall District renew pool operating levy at reduced rate of \$0.30 per \$1000 assessed value for five years beginning 2019-2020? This measure renews current local option taxes.

**Summary** 175 words which concisely and impartially summarizes the measure and its major effect.

This measure would authorize the Sweet Home School District to maintain a local option levy to operate the community pool. The levy rate would be \$0.30 per <sup>\$1,000</sup> ~~thousand dollars~~ of assessed valuation which is a reduction from the \$0.32 per ~~thousand dollars~~ rate that voters previously approved.

Passage of the levy also qualifies the District for a state local option equalization grant that is expected to contribute at least \$100,000.00 per year for facility maintenance and improvements and is dependent on the levy passing.

The five-year local option levy would begin in fiscal year 2019-2020 and is computed each year at a rate of 30 cents for each thousand dollars of assessed value.

An estimate of the total amount to be raised each fiscal year is based on tax information provided by Linn County is:

2019-2020	\$215,000.00
2020-2021	\$221,500.00
2021-2022	\$228,250.00
2022-2023	\$235,250.00
2023-2024	\$242,500.00

The total estimated amount to be raised over five years is \$1,142,500.00

The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the <sup>county</sup> ~~Linn County~~ assessor at the time of estimate and may reflect the impact of early payment discounts, compression and the collection rate.

**Explanatory Statement** 500 words that impartially explains the measure and its effect.
