Linn County Manufactured Home Placement Permit Process

The first step in the process of placing a manufactured home on your property in Linn County is to obtain **Land Use Approval** from the Planning and Building Department.

After obtaining land use approval, the next step is to contact the Linn County **Environmental Health Department**. Disconnecting and reconnecting to a septic system requires a review.

Once you have been issued your septic permit, you may submit your **Placement Permit Application** to the city or county where the property is located. For properties located outside the city limits of Albany, Brownsville, Halsey, Harrisburg, Lebanon, Lyons, Mill City, Scio, Sweet Home, and Tangent, you will submit your placement permit to Linn County Planning and Building Department. The permit fees for this permit vary and are based on the size of the manufactured home (single, double, or triple) and any additional items such as a new electrical service, heat pump or air handler, wood burning, pellet stove or natural gas heater, or a well or septic pump.

After being issued your placement permit, you must contact the Tax Assessment office at the county that the manufactured home is presently located in to obtain your **Transportation Permit**. To obtain

this permit, you must have information on your manufactured home and the name of the transportation company.

You may also be required to file papers with the Tax Assessor's Office in regards to ownership of the manufactured home.
