CONDITIONS (LCC 937.110): A recreational vehicle or structure which is designed to provide temporary accommodations for recreational, camping or travel use shall not be occupied in any zoning district for a period exceeding 90 days per calendar year. A recreational vehicle or structure shall not be allowed to be used for a residence. No placement permit is required for and will not be issued for the onsite use of a recreational vehicle or structure. No connection to septic, power or water shall be permitted unless the recreational vehicle or structure is serving as shelter to an applicant who has obtained a building permit for an authorized dwelling and is in the process of constructing or making major repairs to that dwelling. In such case, the 90 day limit shall remain in effect.

Comments/Conditions:

Planning Department authorization: Date:

I hereby certify that I have read and agree to all conditions states on this permit and will locate the recreational vehicle at the above location in compliance with all applicable State and County codes.
